

# Sex On Wheelz

## My Life with the Thrill Kill Kult

Ooh baby  
Sex on wheelz  
Ooh baby  
Sex on wheelz

I'll turn you on like a tiger, baby  
Hard body, motor city, love life  
I'll take you for a ride down the mind way, baby  
Be my little human sacrifice

Do my kisses burn?  
Do they take your breath?  
You've got a lesson to learn, now  
I'm the kiss of death

History is written by winners, baby  
So let's make a little of our own tonight  
If you're thinkin' my idea of fun is a drag  
Then you've never been to paradise

Do my kisses burn?  
Do they take your breath?  
You've got a lesson to learn, now  
I'm the kiss of death

Sex on wheelz, sex on wheelz  
Sex on wheelz, sex on wheelz  
Sex on wheelz, sex on wheelz  
Sex on wheelz, sex on wheelz

Ooh baby

I'll turn you on like a tiger baby  
Hard body, motor city, love life  
I'll take you for a ride down the mind way, baby  
Be my little human sacrifice

Do my kisses burn?  
Do they take your breath?  
You've got a lesson to learn, now  
I'm the kiss of death

Sex on wheelz, sex on wheelz  
Sex on wheelz, sex on wheelz  
Sex on wheelz, sex on wheelz  
Sex on wheelz, sex on wheelz

Sex on wheelz, sex on wheelz  
Sex on wheelz, sex on wheelz  
Sex on wheelz, sex on wheelz  
Sex on wheelz, sex on wheelz

Sex on wheelz, sex on wheelz  
Sex on wheelz, sex on wheelz
