I Think I'm Going to Hell

My Morning Jacket

```
Down in the city
The flames gathered round
Churches and buildings
In ashes on the ground
They think they're goin' to Hell

Out in the hollow
It drown out the crowd
And I think my mother would kill me
If she knew what I was about
I think I'm goin' to Hell

Devils and demons are comin'
Lovers and children beware
Devils and demons are comin'

To take me to Hell
To take me to Hell
To take me to Hell
```
