

## If It Smashes Down

### My Morning Jacket

Who's going to care  
If it smashes down  
Or flips you up in the air?

It's just a really fast  
Risky ride at a fair

On these lovely trips  
The conductor likes  
Your soft brown eyes on his hair

No need to shut 'er down  
Go round and round  
In the air

Who's going to care

It's just a really fast  
Risky ride at a fair

On these lovely trips  
The conductor likes

In the air  
In the air
