You're lookin' low now in your tight blue jean

Four years of bright lights can make it seem
Like no one can ??
(Yeah, yeah)
Like no one can ??
```

Like no one can ?? (Yeah, yeah)
Like no one can ?? (Yeah, yeah)

(Yeah, yeah)

It's about twilight now, I'm in the field You're lookin' low now, I'm runnin' still You're a readin' book now, it's gettin' Four years of bright lights can make it seem

Like no one can ?? (Yeah, yeah) Like no one can ?? (Yeah, yeah)

Like no one can ?? (Yeah, yeah) Like no one can ?? (Yeah, yeah)
