

Just Because I Do

My Morning Jacket

I go blind, every night, and just because I do
I'm wishin' you'd get better and I'll get rid of you

I saw it in a letter
I saw it in a letter
I saw it in a letter

I go blind, every night and just because I do
I'm writin' off a letter to save yourself some glue

Every night you talk in disguise, and girl that ain't like you
I'm wishin' you'd get better and I'll get rid of you

I saw it in a letter
I saw it in a letter
I saw it in a letter

I go blind, every night and just because I do
I'm wishin' you'd get better and I'll get rid of you

I'll get rid of you
I'll get rid of you
I'll get rid of you
I'll get rid of you
I'll get rid of you
I'll get rid of you
