

The Fabulous Blood Disco

My Passion

Hit me
Put your arms around me
I'm falling with the dancing legs around me
Love the way you move
Love the way you move
The fabulous Blood disco
The fabulous Blood disco I'm furious, tricurious
The fabulous Blood disco I'm furious
One black gun and click click
Bang!

Hit me
Put your arms around me
I'm crawling through the dancing legs around me
Love the way you move
Love the way you move
The fabulous Blood disco
The fabulous Blood disco I'm furious, tricurious
The fabulous Blood disco I'm furious
One black gun and click click

I won't buy your soul won't bring you colour won't sell your mother
Cause you don't love her
I just want your gold till you discover
You're not the lover you're just the ticket
