

Vultures Are People Too

My Passion

I don't want your body here
Chase away the candle
Chase away the caveman
I don't want your body near

Say it to me
Say it to me
Say it
Chasing the rainbow

In fear, Unfair, My fat father keeps me slim
In fear, Unfair, My fat father keeps me slim
Corridor of fame, She'll go again
Corridor of fame, She'll go again

I don't want your body here
Break away the handle
Take away the bankman
I don't want your body near

Say it to me
Say it to me
Say it
Chasing the rainbow

In fear, Unfair, My fat father keeps me slim
In fear, Unfair, My fat father keeps me slim
Corridor of fame, We'll go again
Corridor of fame, We'll go again
Corridor of fame, She'll go again
Corridor of fame, She'll go again

The calling girl ran down to the sea
She sang her song
Bring the fishes to me
The falling man who danced across the path
He raised my spirit
If only for a minute
