## My Ruin

It's true, I've got demons inside me

And sometimes they need to speak  
My dark places make me feel ugly  
My lips are glossed but my heart is weak  
I'm diseased  
As seen on TV  
Please forgive me  
For not being pretty  
Or sexy  
But god never blessed me  
Here's what you'll find  
Next time you undress me

Scars  
Wounds  
I'm  
Bruised

Watch me bleed  
I'm your beauty  
Watch me bleed  
Beauty fiend

Once again  
Without perfect teeth  
I begin  
The dream as I sleep  
Soon I've sinned  
My skin is still thick  
My mouth as always  
Is brutally honest  
At my calmest  
I'm tired of explaining  
How it feels  
To be exploited  
And rated  
Number one, two or seventeen  
Fuck what they print in those damn magazines

Scars  
Wounds  
I'm  
Used

Watch me bleed  
I'm no beauty  
Watch me bleed  
Beauty queen

Watch me bleed  
I'm your beauty  
Watch me bleed  
Beauty fiend

Stuck inside this mask of mine  
There's no place for me to hide

Won't you please come suck me dry  
Don't touch me  
Don't fucking touch me  
Don't touch me... why?  
Can't you see beyond my skin  
Size, my shape, my ass, my tits  
I am not your pretty face  
I'm just a girl  
The girl you love to hate!

Watch me bleed  
I'm no beauty  
Watch me bleed  
Beauty queen  
Watch me bleed  
I'm the beauty  
Watch me bleed  
Beauty fiend

Why can't you see beyond my skin  
Size, my shape, my ass, my tits  
I am not your pretty face  
I'm just a girl  
The girl you love to hate!

Stuck inside this mask of mine  
There's no place for me to hide  
Won't you please come suck me dry  
Don't  
Don't you fucking touch me pig!
