

Bright Red Scream

My Ruin

You say I'm angry...

I guess I should be because it makes me happy my mind is creepy

...

I guess it could be depends on what you asked me

you are my bright red scream

girl wet dream you are my bright red scream

and when I sleep I dream of you you say I'm scary...

I guess I could be cos when I speak you fear me, my mouth is dirty...

I guess it would be pretend you just don't hear me

you are my bright red scream

girl wet dream you are my bright red scream

nothing is what it will seem...

and I am your scary teddy bear

love me hate me...

I let you drive me crazy

crucify me or do you wanna save me yes, no maybe...

it doesn't matter baby you are so clean

but I can't make you wanna scream scream, scream, scream with me...

Bright red scream

girl wet dream

you are my bright red scream

scream with me scream for me I am not mean...

I am just not nice and there is a difference

thank you for remaining at a safe distance!
