

## Diabolina

### My Ruin

This is a mantra for myself  
This is a mantra for someone else  
This is a mantra so be warned  
Hell hath no fury like a woman scorned.  
Sweetly he smiles at me so bright he burns me  
Tongue twisted sick with words she'll get what she deserves  
She got what she deserved.  
See me I look at you so deep that she feels me  
Girl tricks made you believe but she steels me I will be her di  
sease  
Diabolina screams

Keep me so safe inside your sins  
Our secret I watch you live your life in regret  
You'll get what you deserve  
Sleepy you close your eyes but you can't dream  
You dirty girl so mean can't clean me I'll be your disease  
Diabolina screams

And I swear sacred as this heart of mine strong  
As the ties which bind us heavy as this cross which I forever b  
ear  
Eternity will be the hell we share and what you want  
I don't care 'cause it doesn't concern me.  
This is about what I need s  
Oh believe as the needla goes in,  
I'm creeping under your skin soak you in sickness and scent you  
in sin  
So say you'll love her and I'll believe you  
But if you can't then you only decieve you  
I said I love you and I don't lie  
Remember that next time you kiss me goodbye.
