

16 Ways To Go

My Sister's Machine

I've been tied to a tree and I can't break free
I've been tied and I don't know why I can't see
I've been sucking the air that no one can breathe
Can't you see we're living in disposable waste
I know 16 ways to go to the end of the road
Springtime's gone for the mother, yeah, she can't breathe
She's been dying I don't know why we can't see
We're all tied to the mother, yeah, set her free
Can't you see we're living in disposable waste
I know 16 ways to go to the end of the road
My tired eyes
I'm drowning in these lies
My love divine
Are we gonna watch her die
I know 16 ways to go to the end of the road
