

Enemy

My Sister's Machine

Even though you're a friend of mine
Explain to me what it means
All the how's and whys, should I draw the line
And take away the friend left in me
'Cause I've lied, yes I've lied to myself
In saying this is how it should be
I've lied so much I don't even care
I let you get the better of me
Tell me, are you a friend, are you my enemy
Even though you're a part of me
I can't confide in you this
Those walls I laid, that I built around are
To keep you down under my skin
'Cause I've lied, yes I've lied to myself
In saying this is how it should be
I've lied so much I don't even care
I let you get the better of me
Tell me, are you a friend, are you my enemy
