Monster Box

My Sister's Machine

I know a weapon it's a new kind of pain sex isn't freedom it'll never be the same it'll never be the same I know a monster it's a wicked disease man is the victim it's a pain he can never ease

it isn't beautiful anymore
sex isn't love this way

what are you doing with this stupid human trick sex isn't binding and you're making it sick for me you're making it sick for me I know a weapon it's a new kind of pain sex is a monster it'll never be the same

it isn't beautiful anymore
sex isn't love this way
