

## How To Fight A Losing Battle

My Ticket Home

Is this way?  
Is this way that we should say goodbye?  
Just stay with me, Stay alive.  
I swear to god.  
I won't give up.  
Open your eyes.  
Just keep breathing.  
Don't look down.  
Again! Again!  
This is nothing but the worst.  
Again! Again!  
I see nothing but the worst.  
You've got me weak tonight.  
Cause I'm walking down this dotted line.  
Just stay awake, stay alive.  
The blood's on your hands.  
The guilt's on your hands.  
Oh lord, are we just too busy to see the grass so green right b  
eneath our feet?  
If you don't stand for something, you'll fall for everything.
