

## Can't Believe

Mýa

You told me that you didn't love her anymore, oh  
Then you turn around and you walked out the door, oh  
Whether you go or if you stay babe  
I'll still be loving you any way  
I know I just can't stand the pain

And I can't believe  
That she's the one you really love  
And I can't believe  
That she has your heart  
Cause it seems to me  
She's the one that you're thinking of  
And I can't believe that he is gone  
And she's the one who took your love away

I can't believe it's true  
That you're not in my life, life  
So tell me what did we go wrong, ooh baby  
So now that you're gone  
All I do is count the days  
I'm sorry that you didn't wanna stay  
But I will be loving you any way, hey

And I can't believe  
That she's the one you really love  
And I can't believe  
That she has your heart  
Cause it seems to me  
She's the one that you're thinking of  
And I can't believe that he is gone  
And she's the one who took your love away

Sooner or later you're gonna see  
The mistake you've made baby  
And you're gonna run back to me  
And you never should've made me cry  
And boy let me tell you why  
Cause you had the best, the very best  
That's why I can't believe that you've gone away

And I can't believe  
That she's the one you really love  
And I can't believe  
That she has your heart  
Cause it seems to me  
She's the one that you're thinking of  
And I can't believe that he is gone  
And she's the one who took your love away
