

# Ghetto Superstar

Mýa

Man, man, look at the sky  
All the stars man  
The stars is beautiful tonight  
Look at 'em

Ghetto superstar, that is what you are  
Comin' from afar, reachin' for the stars  
Run away with me to another place  
We can rely on each other, uh huh  
From one corner to another, uh huh

Some got hopes and dreams, we got ways and mean  
The supreme dream team always up with the scheme  
From hub caps to sellin' raps, name your theme  
My rise to the top, floatin' on this cream

Who the hell wanna stop me? I hated those who doubt me  
A million refugees with unlimited warranties  
Black Ceaser, datin' top divas  
Diplomatic legalese, no time for a visa

I just begun, I'ma shoot them one by one  
Got five sides to me somethin' like a pentagon  
Strike with the forces of King Solomon  
Lettin' bygone be bygone and so on and so on

I'm a teach these cats how to live in the ghetto  
Keepin' it retrospective from the get go  
Lay low, let my mind shine like a halo  
Politic with ghetto senators on the D-low

Ghetto superstar, that is what you are  
Comin' from afar, reachin' for the stars  
Run away with me to another place  
We can rely on each other, uh huh  
From one corner to another, uh huh

My eyes is sore, bein' the senator  
Behind closed doors hittin' truths to the sea floor  
The rich don't know, ignore, this tug of war  
While the kids are poor open new and better drug stores

So I became hardcore, couldn't take it no more  
I'ma reveal everythin' change the law  
I find myself, walkin' the streets  
Tryin' to find what's really goin' on in these streets

Now every dog got his day, needless to say  
When the chief away, that's when them cats wanna play  
I told you, messin' around you fools like Cassius Clay  
Stretch my heater make you do a pass de bourree

Kick your balls like Pele, pick 'em doin' ballet  
Peak like Dante, broader than Broadway  
Get applaud like a madator, cry yellin' ole  
Who the hell wanna see me, from B.K. to Cali

Ghetto superstar, that is what you are  
Comin' from afar, reachin' for the stars  
Run away with me to another place  
We can rely on each other, uh huh  
From one corner to another, uh huh

Just when you thought it was safe in a common place  
Showcase your finest is losin' fast in the horse race  
Two face, gettin' defaced out, like Scarface  
Throw your roll money let me put on my screw face

And I'm paranoid at the things I said  
Wonderin' what's the penalty from day to day  
I'm hangin' out, partying with girls that never die  
See I was pickin' on the small fries, my campaign tellin' lies

I was just spreadin' my love, didn't know my love  
Was the one holdin' the gun and the glove  
But it's all good as long as it's understood  
Let's all together now, in the hood

Ghetto superstar, that is what you are  
Comin' from afar, reachin' for the stars  
Run away with me, to another place  
We can rely on each other, uh huh  
From one corner to another, uh huh

All stars

Ghetto superstar, that is what you are  
Comin' from afar, reachin' for the stars  
Run away with me, to another place  
We can rely on each other, uh huh  
From one corner to another, uh huh
