For showing up like that, have mercy baby

You know you ain't right for this  
Boy you gon make me fight you  
It's all your fault  
If we don't make it up tonight  
Call your boys, tell them get you later  
Tell my girls I can't make it

And I done got to serve a piece of that baby

You won't stop, there's something you should do baby

You know you ain't right for that  
Boy you gon make me fight for that  
It's all your fault  
It's got to go down tonight  
Call your boys cause you ain't goin  
Tell my girls I ain't showing up  
Cause we

You don't need to explain  
Cause it's a private affair

There's no list so boy just walk in and we'll...  
We gon get right to it  
Play some throwback music

Baby we gon have a ball  
(Go kill the light, just you and I)

Toss them keys aside

Don't wanna feel nothing but your body

House party...  
Poppin bottles, dim the lights  
We a be right here tonight
