

Ride and Shake

Mýa

Uh, uh What? uh
Who me? (yeah)
Let's ride and shake (come on)
(Shake it)
Uh, uh, yeah
Let's ride and shake

Now you know you're looking good
Lookin' damn fly
Can't help but fully notice you from the corner of my eye
Yeah I got a man at home
But the conversation's old
He think he slick ain't doing right
But now he's got to go
I caught them at the shelf at a quarter past twelve
Creeping in my alley
But I told her to the left
Tell me what'cha gonna do
Cause I'm 'bout to make my move
Say yes without the pressures
Cause boy I'm ready to

Gon' ride, ride, ride
Shake, shake, shake
You and me one on one
Without a break
We gonna ride, ride, ride
Shake, shake, shake
We can get together baby starting today

Now I know that you want me
Just as much as I want you
You ain't got to lie, you ain't go to front
So why don't ya tell the truth?
As of now we send the past
Not enough time for being sad
I'm a sexy shaker, girl move on
And don't you move to fast

See you know how the game is played
If it was you, you'd put her through the same thing
Are you with that it is wrong?
Now can we please get it on?
You're the only that knows can we get down now

Turn off the car lights
And hold me tight
When we touch, when we rub
When we kiss, when we hug
Show me love till I can't get enough
Do you understand?
Feel my plan?
(Ride, ride, ride)
It's all about you
(Shake, shake, shake)
Forget my man
