

Step

Mýa

All I want is a little respect
All I need is a little respect
Ha Oh
Ohhh

Have you ever had a girl to call up your man
Better tell her
Step back
Step back
She claimin' that your man is her man
Gonna get knick knock way back
But you gotta act right and not let it lack now
I'm a lover
Not a fighter
But if she keep on disrespectin' I might just
She violate
I got the right to strike her

Yeah
Come up out of these heels (Heels)
Take it pull my hair back (My hair back)
I know I need to chill
All I want is a little respect (Respect)
Ladies know how it feels (Oh, oh)
When another girl violates that (That's right)
No when it's my man yawl
You better tell that girl to step
Step back
Step back
Step back
Step back
Tell that girl to step
Step back
Step back
Step back
Step back

You know them type of chicks that walk by
Better tell her keep on walkin'
Twist to the side to catch your mans eye
Turn around to see if he watchin'
Those them type of girls you set straight
If you don't they will keep walkin'
But you better shut her down before it's to late now (Come on)
Tell her she don't want no problems

Yeah (Yeah)
Come up out of these heels (Heels)
Take it pull my hair back (My hair back)
I know I need to chill
All I want is a little respect (Respect)
Ladies know how it feels (All my ladies know how it feels)
When another girl violates that
No when it's my man yawl
You better tell that girl to step (Say what)

I am not the one to be played with

Tell that girl to step (Step back)
I aint got no time for the bull shhh (Come on)
You should learn some respect (I think you need to learn some respect)
Cause if a girl came clockin' your man
You wouldn't like that (Oh no, oh)
I'm not one to go and start fights
I'm not the type
You gotta cop your own
Cause this one is mine
Whoa, whoa, whoa

Yeah
Come up out of these heels (Oh no)
Take it pull my hair back (Oh no)
I know I need to chill
All I want is a little respect (Some respect)
Ladies know how it feels (Hey)
When another girl violates that (What, what)
No when it's my man yawl
You better tell that girl to step (You better tell that girl Oh, oh)

Yeah
Come up out of these heels (Heels)
Take it pull my hair back (Oh)
I know I need to chill
All I want is a little respect (All I want is a little respect)
Ladies know how it feels
When another girl violates that (Hey, oh)
No when it's my man yawl
You better tell that girl to step

All I want is a little respect (What)
Step back
Step back
Tell that girl to step
All I need is a little respect
Step back
Step back
All I want
You better tell that girl to step

All I want is a little respect (Whoa, you better)
Step back
Step back
Tell that girl to step
All I need is a little respect (Step, come on)
Step back
Step back

You better tell that girl to step
To step
To step
To step
