

The Inevitable

Myka Relocate

I've been in this place for too long
And now I think I'm ready for me to move on
All my patience is dead and gone
It wouldn't make a difference if I was wrong

Why do I fight?
Why do I care?
What should I do to prove to you
That my heart's even there?
Believe me, believe me

Believe me when I say
That my thoughts they aren't gonna change
Like this could turn out any other way
This would happen eventually
Wo-o-oh, wo-o-o-oh, wo-o-oh
My thoughts will never change
Wo-o-oh, wo-o-o-oh, wo-o-oh, wo-o-oo

Please save me
I'm so tired of trying to see
Fake remarks, fake sympathy
I never wanted it to be this way, not this way
I only wish that I could walk away
(Walk away)
I never wanted it to be this way
I only wish that I could walk away

This is not how it's supposed to... be
Just for once open your eyes to... see
You've been in this place for too long
Now I think it's time for you to move on
Believe me, believe me

Believe me when I say
That my thoughts they aren't gonna change
Like this could turn out any other way
This would happen eventually
Wo-o-oh, wo-o-o-oh, wo-o-oh
My thoughts will never change
Wo-o-oh, wo-o-o-oh, wo-o-oh, wo-o-oo

Believe me when I say
That my thoughts will not change

Believe me when I say
That my thoughts they aren't gonna change
Like this could turn out any other way
This would happen eventually
My thoughts will never change
That my thoughts they aren't gonna change
Like this could turn out any other way
Cause my thoughts, they aren't gonna change

Wo-o-oh, wo-o-o-oh, wo-o-oh, wo-o-oo
Wo-o-oh, wo-o-o-oh, wo-o-oh, wo-o-oo
