

## At Your Best (You Are Love)

MYMP

When I feel what I feel  
Sometimes it's hard to tell you so  
You may not be in the mood to learn what you think you know  
There are times when I find  
You wanna keep yourself from me  
When I don't have the strength; I'm just a mirror of what I see

But at your best you are love  
You're a positive motivating force within my life  
Should you ever feel the need to wonder why  
Let me know, let me know  
Know, let me know  
When you feel what you feel  
Oh, how hard for me to understand  
So many things have taken place before this love affair began  
But if you feel, girl, like I feel  
Confusion can give way to doubt  
For there are times when I fall short of what I say,  
What I say I'm all about, all about  
But at your best you are love  
You're a positive motivating force within my life  
Should you ever feel the need to wonder why  
Let me know, let me know  
Tell me what it is (Tell me what it is)  
There's no need to make believe  
(Make believe, no need to make believe)  
Look beyond your world (Look beyond your world)  
Try and find a place for me (Try and find, a better place for me)  
Cause at your best you are love  
You're a positive motivating force within my life  
And if you ever feel the need to wonder why  
Let me know, let me know  
Let me know 3x  
Know...  
Stay at your best, baby...
