At Your Best (You Are Love)

When I feel what I feel Sometimes it's hard to tell you so You may not be in the mood to learn what you think you know There are times when I find You wanna keep yourself from me When I don't have the strength; I'm just a mirror of what I see But at your best you are love You're a positive motivating force within my life Should you ever feel the need to wonder why Let me know, let me know Know, let me know When you feel what you feel Oh, how hard for me to understand So many things have taken place before this love affair began But if you feel, girl, like I feel Confusion can give way to doubt For there are times when I fall short of what I say, What I say I'm all about, all about But at your best you are love You're a positive motivating force within my life Should you ever feel the need to wonder why Let me know, let me know Tell me what it is (Tell me what it is) There's no need to make believe (Make believe, no need to make believe) Look beyond your world (Look beyond your world) Try and find a place for me (Try and find, a better place for m e) Cause at your best you are love You're a positive motivating force within my life And if you ever feel the need to wonder why Let me know, let me know Let me know 3x Know... Stay at your best, baby...
