

# I'll Never Get Over You Getting Over Me

MYMP

I hear you're taking the town again  
Having a good time  
With all your good time friends  
I don't think that you think of me  
You're on your own now  
And I'm alone and free

I know that I should get on with my life  
But a life lived without you could never be right

As long as the stars shine down from the heaven  
As long as the river runs to the sea  
I'll never get over you getting over me

I tried to smile so the hurt won't show  
Tell everybody I was glad to see you go  
But the tears just won't go away  
Loneliness found me looks like it's here to stay

I know that I ought to find someone new  
But all I found is my self always thinking of you

As long as the stars shine down from the heaven  
As long as the river runs to the sea  
I'll never get over you getting over me

Oh no matter what I do  
Each nights a life time to live through  
I can't go on like this  
I need your touch  
You're the only one I ever loved

And as long as the stars shine down from the heaven  
As long as the river runs to the sea  
I'll never get over you, getting over,  
I'll never get over you,  
I'll never get over you getting over me...
