

# Tell Me Where It Hurts

MYMP

What is that sad look in your eyes  
Why are you crying  
Tell me now, tell me now  
Tell me, why you're feelin' this way  
I hate to see you so down, oh baby  
Is it your heart  
Oh, that's breakin' all in pieces  
Makin' you cry  
Makin' you feel blue  
Is there anything that I can do

Why don't you tell me where it hurts now, baby  
And I'll do my best to make it better  
Yes, I'll do my best to make those tears all go away  
Just tell me where it hurts now, tell me  
And I love you with a love so tender  
Oh and if you let me stay  
I'll love all of the hurt away

Where are all those tears coming from  
Why are they falling  
Somebody, somebody, somebody left your heart in the cold  
You just need somebody to hold on, baby  
Give me a chance to put back all the pieces  
Take your broken heart  
Make it just like new  
There's so many things that I can do

[Chorus:]

Why don't you tell me where it hurts now, baby  
And I'll do my best to make it better  
Yes, I'll do my best to make those tears all go away  
Just tell me where it hurts now, tell me  
And I love you with a love so tender  
Oh and if you let me stay  
I'll love all of the hurt away

Oh I'm gonna take it all away, baby

Is it your heart  
Oh, that's breakin' all in pieces  
Makin' you cry  
Makin' you feel blue  
Is there anything that I can do

[Repeat chorus]

Tell me, baby  
Tell me, oh yea  
Is there anything I can do, baby  
Just tell me where it hurts now, tell me  
And I love you with a love so tender  
Oh and if you let me stay  
I'll love all of the hurt away
