

# Till They Take My Heart Away

MYMP

I look into your eyes  
So far away  
There's trouble on your mind  
You're losing faith

Hey now  
Let me hold you  
It will be okay  
Cause I will love you  
Till they take my heart away

Remember when you called  
And said goodbye  
You thought we'd lost it all  
And so did I

Even if I lost you  
I would feel the same  
I will love you  
Till they take my heart away

Believe, I'm here to stay  
I will love you  
Till they take my heart away

Now we're stronger than before  
We've made it through  
I've never felt more sure  
Because of you

Hey now, are you listening  
Can you hear me say  
I will love you  
Till they take my heart away

Believe, I'm here to stay  
I will love you  
Till they take my heart away

Believe in me, I'm here to stay  
I will love you  
Till they take my heart away

Away, away, away...  
I will love you  
Till they take my heart away
