You with the sad eyes Don't be discouraged oh, I realize It's hard to take courage In a world full of people You can lose sight of it all The darkness inside you Makes you feel so small But I see your true colors Shining through I see your true colors and that's Why I love You So don't be afraid to let them show Your true colors True colors are beautiful, like a Rainbow Show me a smile then Don't be unhappy, can't remember I last saw you laughing If this world makes you crazy And you've taken all you can bear Just call me up cause you know I'll be there And I see your true colors Shining through I see your true colors That's why I love you So don't be afraid To let them show Your true colors, true colors are Beautiful like a rainbow If this world makes you crazy And you've taken all you can bare Just call me up 'cause you'll know I'll be there And I'll see your true colors shining through And I'll see your true colors And that's why I love So don't be afraid To let them show Your true colors, true colors, true colors Shining through And I'll see your true colors And that's why I love you So don't be afraid To let them show Your true colors, True colors are beautiful Like a rainbow
