Wish List

MYMP

There are a lot of things I want this Christmas I have a list of what to give and receive But they don't come in boxes or wrapped in fancy paper They just come in the simplest of things Something weighs more that gold, the truth be told Something new, so much more Something's better than anything tangible And it's all we need It's all we need Love Peace Joy Kindness Humility Positivity And not to live in fear Love Faith Норе Friendship Forgiveness Happiness To last through the years [Interlude] If there's one thing I have to be this Christmas Is that I'd be a good example to the kids To give my heart out to everyone who needs it Life is not about the physical things Something weighs more that gold, the truth be told Something new, so much more Something's better than anything tangible And it's all we need It's all we need Love Peace Joy Kindness Humility Positivity And not to live in fear Love Faith Норе Friendship Forgiveness Happiness To last through the years [Interlude]

Something weighs more that gold,

Something new, so much more, so much more Love Peace Joy Kindness Humility Positivity And not to live in fear Love Faith Норе Friendship Forgiveness Happiness To last through the years Love Peace Joy Kindness Humility Positivity And not to live in fear Love Faith Норе Friendship Forgiveness Happiness To last through the years Love Love Love Love
