

# Lie, Lie, Lie

Myra

I tell myself that I don't love you  
I tell myself that you're not good for me  
Your eyes are green, grey, blue, whatever  
But I don't look at them  
And I don't look at you  
I tell myself that I don't want you  
I tell myself that you're not what you seem  
And we could never be together  
I'm just not into you  
But I know that's a

Lie lie lie  
Like before before  
Everyday I I  
Want you more more more  
What'm I gonna do  
What'm I gonna do  
You are the one  
It is you  
You're the one, you're the one

It's a lie lie lie  
Like before before  
Everyday I I  
Want you more more more  
What'm I gonna do,  
What'm I gonna do  
You are the one  
It is you  
You're the one, yeah  
It's you you you

I tell myself that I don't need you  
I'm unaware of who why what you are  
The world it don't revolve around you  
But you expect it to  
Oh Baby, wouldn't you?  
I tell myself  
that I don't need another boy like you  
You're the cause of all the stupid things that I do  
And love, It just don't last forever  
And I Don't want it to  
But I know that's a

Lie lie lie  
Like before before  
Everyday I I  
Want you more more more  
What'm I gonna do  
What'm I gonna do  
You are the one  
It is you  
You're the one, you're the one

It's a lie lie lie  
Like before before  
Everyday I I

Want you more more more  
What'm I gonna do,  
What'm I gonna do  
You are the one  
It is you  
You're the one, yeah  
It's you you you

You are the stars  
You are the sun  
You are the earth  
You are the one  
All of this time I've not been true  
Hiding the fact I wanted you

Lie lie lie  
Like before before  
Everyday I I  
Want you more more more  
What'm I gonna do  
What'm I gonna do  
You are the one  
It is you  
You're the one, you're the one

It's a lie lie lie  
Like before before  
Everyday I I  
Want you more more more  
What'm I gonna do,  
What'm I gonna do  
You are the one  
It is you  
You're the one, yeah  
It's you you you
