## Lie, Lie, Lie

I tell myself that I don't love you I tell myself that you're not good for me Your eyes are green, grey, blue, whatever But I don't look at them And I don't look at you I tell myself that I don't want you I tell myself that you're not what you seem And we could never be together I'm just not into you But I know that's a

Lie lie lie Like before before Everyday I I Want you more more more What'm I gonna do What'm I gonna do You are the one It is you You're the one, you're the one

It's a lie lie lie Like before before Everyday I I Want you more more more What'm I gonna do, What'm I gonna do You are the one It is you You're the one, yeah It's you you you

I tell myself that I don't need you I'm unaware of who why what you are The world it don't revolve around you But you expect it to Oh Baby, wouldn't you? I tell myself that I don't need another boy like you You're the cause of all the stupid things that I do And love, It just don't last forever And I Don't want it to But I know that's a

Lie lie lie Like before before Everyday I I Want you more more more What'm I gonna do What'm I gonna do You are the one It is you You're the one, you're the one It's a lie lie lie

Like before before Everyday I I

Want you more more more What'm I gonna do, What'm I gonna do You are the one It is you You're the one, yeah It's you you you You are the stars You are the sun You are the earth You are the one All of this time I've not been true Hiding the fact I wanted you Lie lie lie Like before before Everyday I I Want you more more more What'm I gonna do What'm I gonna do You are the one It is you You're the one, you're the one It's a lie lie lie Like before before Everyday I I Want you more more more What'm I gonna do, What'm I gonna do You are the one It is you You're the one, yeah It's you you you
