

Beyond The Stars

Myrath

Fly me to the sky,
let's hide beyond the stars.
Drive me to the promised land,
where hope grows everywhere.

Down here, you know I'm just a man,
although I give you my best,
my heart, my soul and so much more.

Hide me inside your heart,
let grow my seeds of love.
Cry me tears of joy
that dries between my arms.

Down here, you know I'm just a man,
although I give you my best,
my heart, my soul and so much more.
