

Greatest Hits

Mystery Jets

You can take 'The Lexicon of Love' away but I'm keeping Remain
in Light'
You can take away 'It's a Shame About Ray' but I'm holding on to
'Country
Life' (Ohhh)
You can keep 'No Need to Argue' and I'll keep 'The Aeroplane Over
the Sea'
But hold on to 'The Boy with the Arab Strap' cos I'm holding on
to 'Village
Green'

I don't know if the knot just needs untangling cos the tapes get
stuck all
The time
Either way I'm keeping 'Double Nickles on the Dime'

These were our greatest hits (Shalalalalalalalala Shalalalalala)
The best of me and you (Shalalalalalalalala Shalalalalala)
These were our greatest hits (Shalalalalalalalala Shalalalalala)
The best of me and you

I still remember buying you 'Band on the Run' on the first day
that we
Kissed
But you always did prefer 'McCartney I' because it reminded you
of being a
Kid
No way your having 'This Nation's Saving Grace' you only listen
to it when
Your pissed
But when you sober up it's always "Why the fuck are you still listening
to
Mark E. Smith?"

I don't know if the knot just needs untangling or if we forgot
which way's
Up and which way is down
But still the tape keeps going round and round

These were our greatest hits (Shalalalalalalalala lalalalalala)
The best of me and you (Shalalalalalalalala Shalalalalala)
The best of me and you
Of me and you

Still the tape keeps going round and round.
The tape keeps going round [repeat til the end]

These were our greatest hits (Shalalalalalalalala Shalalalalala)

The best of me and you (Shalalalalalalalala Shalalalalala)
Our Desert Island Discs (Shalalalalalalalala Shalalalalala)
The best of me and you (Shalalalalalalalala Shalalalalala)
