

Yeah

So please don't look into my eyes  
You might just see the other side  
There lie some secrets deep in mine  
"Can't you pretend it's all okay?"

But I know it's not what you wanted  
And you just wrote this fuck and bought it  
It's like I haven't got a clue, and  
Yes, things just might be strange  
Keep pretendin' it's okay

And my mind keeps on changin'  
I've gone blind, I can see through  
And my mind's fully fadin'  
And I know this might seem strange  
Keep pretendin' it's okay

You're probably right to think I'm mad  
There's something 'bout it, but I tried  
And we can't pretend it's all okay  
What a nightmare that becomes  
When the weigh-up is your guns

And I'm tryin' to leave you, let you choose it  
'Cos you know I'm a bit confusing  
And your investments be improvin'  
The weigh-up's just the same  
Keep pretendin' it's okay

And my mind keeps on changin'  
I've gone blind, I can see through  
And my mind's fully fadin'  
And I know this might seem strange  
Keep pretendin' it's okay

(My mind)
