Follow You

Mystery Skulls

I woke up Where'd you go, 'cause, baby, I'm ready Everything that you know Tell me 'cause, baby, I'm ready 'Cause there's no place you could go that I wouldn't follow you There ain't no place you could go that I wouldn't follow you, o h You can't hide from my love, baby 'Cause you can't hide from my love, oh 'Cause there's no place you could go that I wouldn't follow you , oh I woke up, where'd you going to? Yes baby, I'm ready And I won't miss a single thing with you, yes baby I'm ready 'Cause there's no place you could go that I wouldn't follow you There ain't no place you could go that I wouldn't follow you, o h You can't hide from my love, baby 'Cause you can't hide from my love, oh 'Cause there's no place you could go that I wouldn't follow you , oh It's like I've been here before Maybe this time somethings different It's like I've been here before Maybe this time somethings different It's you 'Cause there's no place you could go that I wouldn't follow you There ain't no place you could go that I wouldn't follow you, o h You can't hide from my love, baby 'Cause you can't hide from my love, oh 'Cause there's no place you could go that I wouldn't follow you , oh 'Cause you can't hide from my love, baby

You can't hide from my love, oh 'Cause you can't hide from my love, baby You can't hide from my love
