

You know lately I've been thinkin',
Bout the things I wanna do
And the thought is we can feel it
We can really see it through
And I know you can't [?] love
It just happens in the rush
If it's fine with you to keep it
Cause I need this twice as much

Now I get high
I just wanna feel free

All I need is you
I won't get there without you in my arms
Baby oh oh oh...
All I need is you
I won't get there without you in my arms
Baby
All I need is you

All I need...

Cause we don't really think about it
I just don't know what to do
I'm supposed to be excited
But I know one thing is true
Yeah love's just like a movie
With the [?] of brand new
It goes on and on

I just wanna get high
I just wanna feel free

All I need is you
I won't get there without you in my arms
Baby oh oh oh...
All I need is you
I won't get there without you in my arms
Baby
All I need is you

All I need...
