

Paralyzed

Mystery Skulls

When you're over,
I feel so endless.
And when we kiss,
I can't explain.
Feels superhuman.
But the truth is—

You got me hypnotized
I'm feeling so obsessed with you.
You've left me paralyzed
And now I'm stuck,
You've got me stuck

I never knew
Just what I wanted.
I still don't know,
it's all missing.
You're picking up
On what I started
And the truth is

You've got me hypnotized,
I'm feeling so obsessed with you.
You left me paralyzed
And now I'm stuck,
You've got me stuck.

You've got me hypnotized,
I'm feeling so obsessed with you.
You left me paralyzed
And now I'm stuck,
You've got me stuck.

Fuck it.
