

# Soul On Fire

## Mystery Skulls

(Soul on, soul on, soul on fire tonight)  
(Soul on, soul on, soul on fire tonight)  
(Soul on, soul on, soul on fire tonight)  
(Soul on, soul on, soul on fire tonight)

I was born poor I'll probably die poor  
Was born with nothing and I'll die with less  
Hearing you singing's got me singing too  
It keeps me dreaming all I dream is you (oh)

(Tell me) You got my soul on fire tonight  
(Tell me) I got my love stare into your fire  
(Tell me) You got my soul on fire tonight  
(Tell me) I got my love stare, love stare

(Tell me) You got my soul on fire tonight  
(Tell me) I got my love stare into your fire  
(Tell me) You got my soul on fire tonight  
(Tell me) I got my love stare, love stare

(Soul on, soul on, soul on fire tonight)  
(Soul on, soul on, soul on fire tonight)

Feeling my dreams are never coming true  
Was on my nightmare 'til it came to you  
Making me feel just like I wanted to  
You keep me dreaming, all I dream is you (oh)

(Tell me) You got my soul on fire tonight  
(Tell me) I got my love stare into your fire  
(Tell me) You got my soul on fire tonight  
(Tell me) I got my love stare, love stare

(Tell me) You got my soul on fire tonight  
(Tell me) I got my love stare into your fire  
(Tell me) You got my soul on fire tonight  
(Tell me) I got my love stare
