

When I'm with You

Mystery Skulls

You've got me hangin' by a thread, yeah,
Must've been somethin' that I said, yeah,
I just want you
Wish I could turn back time,
Wish I could rewind life
Alright
Alright

Every time I see you try to hold tight, ooh,
You know your lovin' keeps me up at night, ooh,
I know I fucked this up
I'm gonna make it right
Oh

'Cause when I'm with you
'Cause when I'm with you
'Cause when I'm with you
Ooh, ooh
I'm never givin' up
'Cause when I'm with you

You've got me swimmin' 'round my head, yeah,
Things that I wish I never said, yeah,
I just want you
Wish you could want me back,
Wish you might take me back
Alright
Alright

Every time I see you try to hold tight, ooh,
You know your lovin' keeps me up at night, ooh,
I know I fucked this up
I'm gonna make it right
Oh

'Cause when I'm with you
'Cause when I'm with you
'Cause when I'm with you
Ooh, ooh
I'm never givin' up
'Cause when I'm with you

'Cause when I'm with you

When I'm with you
