

Kameleon Man

Mystery

Always sharply dressed
Like an emperor out of his time
He knows every corner
Of the pathways crossing your mind

He can make you believe
There's a way to your dreams
For only he holds the key

He's got that thing that makes you believe
The answer's on his side

Watch out
The man's wearing shades in the night
The Kameleon Man

No one really know
What the hell is going on in his mind
He will firmly support your beliefs and tomorrow deny
He's everyone's friend and makes sure all enemies die
Ask him what he thinks about this and he'll certainly lie

Look out
He aims at your dreams with a gun
The Kameleon Man

When he talks to you
It's with dollar signs in place of his eyes
He could sell you his mother for a penny
If the profit is high

Watch out
He's like the man in the moon
He's watching your every move

Look out
His hunger is cruel,
He'll capture you very soon
The Kameleon Man

Always sharply dressed
Like a penguin same walk I find
He knows every corner of the pathways crossing your mind

Watch out
He's like the man in the moon
He's watching your every move

Look out
His hunger is cruel,
He'll capture you very soon
The Kameleon Man

The Kameleon Man
Watch out all you can
For the Kameleon Man
