

Voyage To The Other Side

Mystery

Too far
To walk the last few miles
And reach the other side

Too blind
To see without our eyes
And read between the lines
Beyond the lies

Tomorrow
The ship will leave the shore
Where the sun will rise no more
Heading for a new horizon

The sorrow
That screams within our cries
Will change the course of time,
Our sense of pride
And move our lives...

The distance
Is equal to our perception
Of what we want to be
We want to be

Our dreams
Often have for consequences
To change what we believe
We achieve what we believe...
