

# Unholy terror

Mystic Circle

Gods holy places  
Will be desecrated  
The mourning will arise  
The realm of christianity  
Will succumb  
The last hours of the world

The bell of death will sound  
It is the sign of the last fight  
A multitude of warriors  
Wait for the command

He's the lord of darkness  
He will ride a jackal  
The ground will open up  
And out of hell he'll step

Unholy terror  
Will follow you  
Through the deepest night  
Unholy terror  
The dictatorship  
Of church will fall  
Unholy terror  
Sends the warriors  
Of retribution to you  
Unholy terror  
A bloodbath  
That will  
Annihilate the christians

A call to arms will sound  
A cry of infinite might be drums  
Make everything shatter  
The holy cross will fall

7 deadly sins they will commit  
They will betray their god  
Greed and hatred will lead them  
Rage and lust will spread

Unholy terror  
Will follow you  
Through the deepest night  
Unholy terror  
The dictatorship  
Of church will fall  
Unholy terror  
Sends the warriors  
Of retribution to you  
Unholy terror  
A bloodbath  
That will  
Annihilate the christians

Unholy terror  
Squadron of damnation

Unholy terror  
The holy temples are burnt now  
Unholy terror  
Believers break apart  
Unholy terror  
The divine of satan emerges
