From the land of fire
Through the gates of hell
Heathen warrior
The chosen one
Under the evil spell

Hellfire across the land He has no name He's damned

Lacerate evil masquerade Holy warriors will descend

Killhammer
Kill and destroy
Killhammer
Destruction, you can't avoid
Killhammer
Fighting killing machine
Killhammer
Fight... kill... win... hail

They rising from blackness With the armies of the night The warhead kills with madness Resurrection, eternal fight

Damnation in his eyes Spiritual deadly lies 666 is his name Show no mercy Blood will reign

Killhammer
Kill and destroy
Killhammer
Destruction, you can't avoid
Killhammer
Fighting, killing machine
Killhammer
Fight... kill... win... hail...
