

The Pain Amplifier

Mythos

I don't know where I'm going but I'm already waiting to get there. I'm lost in You in a half-life state, dead-but still conscious. You can't make me disappear. I'm inside You. And I really hope that You last! Chorus: Pain is written all over your face. I'M THE PAIN AMPLIFIER! You are mine Forever and ever... You can't make me disappear (from your life.) I'm inside of You and You'd better beware of My Fire or it'll burn you, too... I hope that You last, since... Dying ain't much of a livin' !
