

## Unreal Moon

Mythos

Watching against the setting Sun, our tears fall like the  
Rain through the night. Pity me in my melancholy. Cool  
breeze keeps its promise. Hear the long, Sad Song. Buried  
in my thoughts, listening to the wind blow... Chorus:  
UNREAL MOON, which is the Real one? LIKE A DREAM, like  
and illusion.. The One you'd least wanted to see. My  
Anxious face turned to the Moon. Repeat 1st verse. Repeat  
chorus:
