

# Better Not Waste My Time

N-Dubz

Na, na, nye  
Ooh, na, na, ooh, na, na  
Yeah, yeah, yeah  
N-Dubz, N-Dubz, N-Dubz  
It's like first things first  
You'd probably think I'm a chap with good manners  
Well, you're wrong I'm the scum of the earth  
I'm the worst of the worst an' I ain't boastin' 'bout my verses  
I'm speaking' 'bout the way I run around snatching purses  
For every meaning there's a purpose  
Just because I never went to school it don't mean that I can't be perfect  
For screaming' out loud we's addicted to money like two fingers tapping  
On wherever there's a vein  
And believe me, yeah we proud 'cause life is getting sicker by the day  
And therefore we'll always stick around  
Tonight you see the size of me, you wouldn't think I'm any harm in it?  
Think again, I'll take your \*\*\* nicely  
Chat up your wife to be, middle class, daddy's girl  
I think I need to get me one and your one looks just right for me  
Isn't it funny, how money can make a lot of people change?  
Freakin', my friend, but I telling you, you wait  
You better not waste my time  
I got better things on my mind  
I need to leave jerks like you behind  
'Cause all they ever do is just bring me down  
So would you let me be or I'll make you disappear  
When you hear the word money that's the only time you ever interfere  
I thought that you was there, no, no  
But I guess I'm wrong, why would you care?  
I remember once upon a time when I was just thirteen  
So innocent and giving, everyone would act like they love me  
Then all the \*\*\* and rumors began, seemed like I didn't have any friends  
So much hate, lies and deceit caused by all that jealousy  
Now do you \*\*\* really think that I'm the same girl I used to be?  
Do you really think I will back down from you \*\*\*  
If you try to bring it to me?  
I know you're hating 'cause your man keeps watching  
But I don't even want him, so tell him stop clocking  
The more you hate I get closer to my goal  
You'll wake up as nothing at twenty years old  
You better not waste my time  
I got better things on my mind  
I need to leave jerks like you behind  
'Cause all they ever do is just bring me down  
So would you let me be or I'll make you disappear  
When you hear the word money that's the only time you ever interfere  
I thought that you was there, no, no  
But I guess I'm wrong, why would you care?  
Yeah, I remember them days when I didn't have no rhymes  
Practicing my verse in the class 'til it was home time  
I never used to pay attention in school  
Was playing penny up the wall or in detention with fools  
That's why most the teachers used to doubt me  
They used to say I wouldn't make in my music just to see me get rowdy  
So I could switch in the classroom for an excuse to kick me out  
I wonder why I'm bunking all my lessons in the bathroom  
Now I'm starving hungry, working hard for this super stardom life

Been kinda hard for me to try and make it right  
And it's hard to decide, whether I should leave behind  
All my peeps in this life, to move forward and seek what I find  
This life is lethal like a \*\*\* baby being born addicted to the \*\*\*  
So much evil in people, Dappy said it first  
So I guess that I'm the sequel  
So just because I'm black it don't mean that I can't be equal  
You better not waste my time  
I got better things on my mind  
I need to leave jerks like you behind  
'Cause all they ever do is just bring me down  
So would you let me be or I'll make you disappear  
When you hear the word money that's the only time you ever interfere  
I thought that you was there, no, no  
But I guess I'm wrong, why would you care?  
You better not waste my time  
I got better things on my mind  
I need to leave jerks like you behind  
'Cause all they ever do is just bring me down  
So would you let me be or I'll make you disappear  
When you hear the word money that's the only time you ever interfere  
I thought that you was there, no, no  
But I guess I'm wrong, why would you care?
