One Day I Had to Punch up This One Yute for Tryin Make a Fool of Me In My Hood there's Only So Many Opportunities
Look, I Carry a Tool for My Pride and My Jewelry
Now I Find Myself Stuck Serving the Community

See Me I Made a Change
I Didn't Expect No Fame
We Came From Practically Nuttin' To Thousands Screaming Our Name
A-List, Play list
Even My Mums Famous
I Would Do Anythin' for Some Source Stadium Status

See The Thing about Life Is That It's
It's Just Too Short
Leave The Best behind and Only Then You'll Find There's More to Life than Yo
u First Thought

Coz I

I Never Ever Ever Ever Thought That It Would Ever Get Better Coz I
I Never Ever Ever Ever Thought That It Would Ever Get Better See I
I Never Ever Ever Ever Thought That I Could Face This Weather But Life
It Will Only Get Better
Trust Me It Will Only Get Better

Goin' Back To When I Was Young
And I, Treated Life like It Would Never End
But Then I Grew Up
Got A Little Clued Up
Then N-Dubz Blew Up
Finally On My Way

Coz If You Knew Where I Come From
Then You Would Understand Why I Sing This Song
Its Are Changa??
Yeah I Put My Hand Up
In Fact It Made Me Man Up
And Finally Make a Change

See The Thing about Life Is That It's

It's Just Too Short (Just Too Shortt)
