

## Toot It & Boot It

N-Dubz

I met her in the club  
Then I said wassup  
I took her to the crib  
And you know I fucked  
Yeah toot it and boot it  
Toot it and boot it  
Toot it and boot it  
That's why I toot and boot it

She think I'm cute, she wanna have Sex  
Girl knock it off you know you can't have this

And she told me run that, I told her run it  
And she never seen a chick until she met my magic stick  
Yo I'm a pimp bitch straight game never no sippin  
And after we did it she was walking with a limp  
Bust it open leave it wet you know I leave it soakin  
Who next I don't ever close, I stay open  
I met her in the club, you know I was drunk  
I asked her name and then I said I wanna fuck  
And I'm YG and you know I fucked  
And she fucked back like a little slut  
And she fell in love ya  
And she felt stupid cause you know  
I toot it and boot it

Girl let me toot that boot that stop actin stupid  
Acting like you don't know me like who that  
Walked in the club but I'll fly things  
I'm in the back girl you know where to find me  
And I love how she think I'm cute  
And she don't even wanna tell me what she wanna do  
It's me and my crew her and her friends  
And they all trying to leave with us when the club ends  
And she toot it from the back and you know she made it clap  
And you know I run it back like  
Only for one night and she know I'm on like a switch on light  
Hey girl I can have you feelin right  
I can supply the pipe  
Just make sure it's tight  
We can do it all day only for one night  
And after that you gotta go

I toot it to the left I toot it to the right  
Fuck with me we gonna do it all night  
I seen a bad bitch I swing my hat back  
And after I hit it's on my back  
Cause I toot it and boot it  
And made her feel stupid
