

# Wouldn't You

N-Dubz

Na Na Naii  
Oh Na Na Noww

Said boy I've been seeing you for quite a while And I  
Gotta confess express what you do to me  
I need to tell you  
About the way you've changed my life  
So many beautiful nights you're the reason  
Youve got me staying (Oh oh) through the night  
See the thing is..

I don't quite understand  
What you're trying to say (straight up)  
Can you make it clearer?  
I just want you nearer  
See everyone around me keeps on saying that  
I must be blind (well they do have a point)  
Shut up!

All I'm tryin to say is that  
Wouldn't you wouldn't you  
Like to have me to yourself  
All to myself  
All to yourself  
What if I was to break your heart  
Who would be dumb enough to  
Lose all that I have got for you  
All to myself  
All to yourself  
You've got to finish what you start

Haha I can give you that haha  
Let me give you that hahahahaha

Na na naii  
Oo na na noww

Yo I like when you wear them material things  
But I like it more when you try my hat on with the strings  
And do the impression of me when I say na na naii  
I aint gonna lie no more you must have done a lot  
For the body and the back off and the brain that youve got  
It's simple if I start I wont stop  
I mean Youre so intelligent with such a high IQ  
So if I ever have a baby id love it to be with you

The way she smiles at me every time she sees me its crazy  
Im proud to call her my lady  
Like daps said, she the type of I girl I wanna see holding my baby  
And she don't get excited whenever my job pays me  
But if I'm on the phone she don't act right  
So I try to keep them well away  
So I don't have to stop a catfight  
Cant say I never said I wasn't that type  
Truly you really confuse me  
And thats why

I don't quite understand  
What you're trying to say (straight up)  
Can you make it clearer?  
I just want you nearer  
See everyone around me keeps on saying that  
I must be blind (well don't you understand)  
Shut up!

Na na naii  
Oo na na noww

Whatever what would a girl like you want from a rebel like me?  
Got no money in the bank just stuck in a council estate

Together, were gonna be closer to the dream  
Its like we're just you and me so its up to you

I don't quite understand  
What you're trying to say (straight up)
