## Love Ya Moms

I love you momma, I love you momma

Wish I could holla at you physically Listen ma picture me shitting, came far from chopping crack in the kitchen Hated when I was a thug, couldn't understand it Put me through school, swore soon I'd be in a position to rule Look at me now, your only child breathing through you For you by you, the science of f.u.b.u ill creation I'm still lying for that day I wake up Out of this dream, see you kinectly move, a seventies jewel A star's born, in the form of man Deep like Elijah, mommy's only prophet speaking the logic Now momma love said if I ever get rich And I'm not alive, watch for the snakes, cause they got to survive Don't acknowledge the lies, or the gossip stay true to yourself and don't do what your pop's did I love you mommy forever

Love your moms and hate the streets Love your moms and hate the heat Love your moms while she resting in peace Love your moms while she still here Hug your moms when she shedding a tear Protect your moms from her worst fears

Love your moms and hate the streets Love your moms and hate the heat Love your moms while she resting in peace Love your moms while she still here Hug your moms when she shedding a tear Protect your moms from her worst fears

My house someone not a nine, through hard times Mom's so strong you one of my hearts pride And you told me I would shine in time Never win but you know, through you I spit And make the whole globe glow I zone on all the things you ever did for me My grief as a kid, easing my pain, lifting my name Predicting I'll see fame, change that bond that's never broken You my heart for life, put ice on the surface of your soul glowing To my moms straight royal, look at your boy now Taught me young and intern I spoil you now Don't even worry I'm a hold you down not far from now When you see me and the way you've been Just since my born day, and you proud No matter what, so I'm touched when I spit it this way I pray you'll be smiling for the rest of your days around Always at my best, that's cause of you, always calm and watch You rise me to be top notch

Yo I'm keep this gansta, and still be g My moms is for my seeds, my moms for me Always been by my side, when I needed her the most When I was locked in a cell, holding her close Visit after visit, she always be there My farther would never cry, wouldn't shed at tear

## N.O.R.E.

My mother exact opposite, by all means And it would hurt, when she would see me walking in state greens I be like ma chill, cause it's all good In just two more year's I'll be back in the hood My farther he got sick, my mother couldn't take it She called me the night he died, said he ain't make it All hysterical, phone dropped oh the dresser Ma calm down you got hi bloodpressure See I understand that I got to be a man And take care of my wife, kids, and the fam

Mama love, old earth for what it's worth Sorry for all the times I made you hurt I know it was hard work, mother of three Who would of though your baby be Running the street crazily You told me to stick to the dean I lusted the cream, 57b fav queens With cracks in my jeans I'm going no where fast , that's what you said Didn't want to lose me to jail Over some quick bread, or end up died Eyes bloodshed, and watching your tears shed Damn a nigga making his bed About to lie in, I want to change, but I ain't trying It ain't justifying, my grandpops dying Mom's I'm sorry for the pain There's sunshine after the rain My past shame it's hard to explain Can I make you happy, I love to you smile For your life while, ma it's our turn now

Love your moms hate the streets I'll protect you from fears, always be here Love your moms hate the streets I'll protect you from fears, always be here
