

# Giddy Up

N'sync

Gotta giddy up...  
Gotta giddy up...  
'N Sync - giddy up... like this  
Gotta giddy up..  
C'mon...just drop the verse  
Gotta giddy up...  
Tried to get a hold of you last night  
Called you on the phone  
Thinkin' to myself something ain't right  
Girl were you alone?

Letting little things come between us  
All we do is fuss  
When all I wanna do is show you love

So I say, Hold up!  
I'm tired of all these lies...yeah, yeah  
Hold up!  
And if you wanna make things right  
That's right  
Hold up!  
I'm tired of all these lies  
Hold up!  
Cause if you wanna make things right, you got to..

Giddy up, Giddy up, Giddy up now (giddy up, giddy up)  
I Gotta giddy up  
Giddy up, Giddy up, Giddy up now (giddy up, giddy up)  
Gotta giddy up  
Giddy up, Giddy up, Giddy up now (giddy up, giddy up)  
I gotta giddy up, giddy up  
Giddy up, Giddy up, Giddy up now (giddy up, giddy up)  
Gotta giddy up

Remembering the way we used to be  
Everything was cool  
And now you've gone and done all this to me babe (to me)]

Maybe we can turn this love around  
Give it one more try  
You see everytime you're thinkin about saying goodbye

I gotta I say, Hold up!  
I'm tired of all these lies  
Hold up!  
If you wanna make things right  
Hold up!  
I'm tired of all these lies  
Hold up!  
Cause if you wanna make things right, you got to

Giddy up, Giddy up, Giddy up now (giddy up, giddy up)  
I Gotta giddy up  
Giddy up, Giddy up, Giddy up now (giddy up, giddy up)  
Gotta giddy up (like this)  
Giddy up, Giddy up, Giddy up now (giddy up, giddy up)
