Just Got Paid

N'sync

Thank God it's Friday night and I
just-just-just-just-juuuuuuust got paid
(money, money, money, money...)
yeah, ohh...

Just got paid, Friday night
Party hoppin', feelin right
Booties shakin', all around
Pump that jam, while I'm gettin' down

Check the mirror, lookin' fly
Round up the posse, jump in my ride
Radio rockin', hottest jam
Feel the rhythm, pump up the sound
Feelin' so good
Don't you know, I'm just groovin' to the beat
Groovin', yeah, groovin', oh, oh, oh, ohhhh

Just got paid, Friday night
Party hoppin', feelin right
Booties shakin', all around
Pump that jam, while I'm gettin' down

Yo some people say my solo is impossible
But when I get up on the mic, yo, I'm unstoppable
And it's probable when ya hear our voices laid down
You'll be boppin' your head to this ill tight sound

Now I know you thought you had me played (played)
check is in the mail I got it made (made)
And if you'll notice my smile is like Kool-Aid
Cuz I just (just) got (got) paid (paid) uh

On the floor, rockin' to the beat (rockin' to the beat)
All ways, sure looks sweet (sweet thing)
Fine young lady, standin' by (you look fine tonite)
Come on baby, sweet eye delight...
I love the way that you move
Said, you look so sweet
When you're movin' to the beat
I'm tired all these boring parties, baby
Why don't we get on down, let's get on down

Just got paid, Friday night
Party hoppin', feelin right
Booties shakin', all around
Pump that jam, while I'm gettin' down

Just got paid, Friday night
Party hoppin', feelin right (tell me where the party is)
Booties shakin', all around
Pump that jam, while I'm gettin' down

Say ho
Say ho
Say ho ho
Say ho ho

Say ho ho ho
Say ho
Ohh...

Just got paid, Friday night
Party hoppin', feelin right (just tell me where the party is...)
